De	winterize Fresh Water system	\$79.00					
*For boats on slips, Fro	esh Water service can only be performed once marina	has been dewinterized and the water has been turned on.					
Dewinterizing package inc	ludes a visual inspection of the boat & motor. We v	vill check for proper operation of the					
navigation lights, bilge pumps, bilge blower motors, horn and boat electronics. We will check and top off fluids, if							
low, so we can test run the engine up to temperature and ensure all gauges are functioning, shifts in and out of gear,							
trim goes up and down and	ensure engine does not over heat.
